Student Educational Planner (SEP)

Why is having a study plan important?

❖ **Learning tool:**

- ✓ Helps students understand program requirements and how to meet graduation criteria

❖ **Self-evaluation tool:**

- ✓ Allows students to estimate course load and balance it with other commitments

❖ **Road map to success:**

- ✓ Provides clear direction for completing academic programs

The screenshot shows the EdUHK Moodle homepage. At the top, there's a navigation bar with the university logo, name, and user information. Below this is a main menu with links to Home, Dashboard, Courses, and a calendar icon. The central area features a large image of a building and a sidebar with buttons for Courses (Year 2024-25), Courses (Year 2023-24), System Announcement, and eLearning Support Team. On the right, there's a 'For Study' section with a list of links. Overlaid on the right is the 'EdUHK AI Buddy' chat window. The chat shows a user asking 'What courses do I still need to study for graduation?' and the AI responding with a breakdown of required credits for the MSc in Psychology (Schools & Community Settings) program, listing core courses and those in progress. The chat window also includes a text input field, a 'Send' button, and a disclaimer about data privacy.
